BRIEF

MADHAV NETRALAYA (EYE INSTITUTE & RESEARCH CENTRE), NAGPUR

1. **General.** Madhav Netralaya is the first tertiary eye care hospital in Central India. The dream project of Madhav Netralaya (Eye Institute & Research Centre), Nagpur is built in the memory of Param Pujaniya Madhavrao Golwalkar “Shri Guruji” - the Second Sarsangchalak of Rashtriya Swayam Sevak Sangh (RSS). He was a seer, thinker, organizer and an everlasting source of inspiration to millions. Param Pujaniya Guruji was “A Towering personality yet a soul with overflowing humility” “Pure like fire, yet tender like a flower” “Sharp intellect with warm affection”.

2. **|| Rashtriya Swaha Rashtriya Edam Na Mam ||**

The motto which inspired Guruji, the same has motivated and geared us towards providing high quality, unbiased and cost-effective facility to any one in need through our services.

3. **History.** The inauguration of Madhav Netralaya Eye Institute & Research Centre was facilitated on the auspicious occasion of Gudi-Padwa i.e. 18th March 2018. The Netralaya was built in a record time of 11 months.

4. The hospital services started from 05th June 2018 on the Birth Anniversary of Param Pujaniya Guruji. From the date the hospital has made tremendous progress and it has carved a niche for itself as one of the leading eye hospitals of the region.

5. **Objectives.** Madhav Netralaya is an organization formed with the aim of “Giving” to the society. The Netralaya has set the following objectives for itself: -

- (a) To provide affordable and credible ophthalmic care of international quality.
- (b) To run a modern, well-equipped eye bank (Madhav Netrapedhi) for our region.
- (c) To do research and impart education in the field of basic and super specialties in various branches of ophthalmology.
- (d) To train young eye surgeons, optometrists, ophthalmic assistants, and nurses.
- (e) To prepare, print and publish research and educational materials and journals.
- (f) To provide Tele ophthalmology diagnostic services, second opinions, and tertiary consultancy to local eye specialists and to those in remote rural areas, through the internet.
- (g) To empower women by educating and training them in this field.
- (h) To ensure the fulfilment of the objectives mentioned above.
- (i) To establish national and international support groups and collaborations.
- (j) To prevent and control of blindness.

6. **Our Vision.** To strive for impeccable quality in providing excellent eye care at an affordable cost to society while upholding professional and ethical values.

7. **Our Mission.** To provide quality eye care in an ethical manner to all patients, which is readily accessible and cost-effective, thereby ensuring the improvement of vision / well-being of individuals and families across the spectrum of the society.

8. **Brief of Hospital.** Within a time, span of less than 5 years, Madhav Netralaya has become one of the top players in the Eye Hospitals in Nagpur. The hospital acts as a one-stop destination servicing customers both local and from other parts of Central India. Over the course of its journey, this business

has established a firm foothold in its industry. The belief that customer satisfaction is as important as their products and services have helped the Institution garner a vast base of patients, which continues to grow by the day. It has always strived to provide all modern ophthalmic services under one roof with reliable and expert advice.

9. As a pioneer hospital in Ophthalmology, The Netralaya had initiated “Seva model” scheme, a step towards chain of giving. The data from 05 Jun 18 to 31 Mar 23 is appended below: -

DETAILED PROJECT REPORT

माधव नेत्रालय[®]

Eye Institute & Research Centre, Nagpur

DETAILED PROJECT REPORT (DPR)

FREE CATARACT OPERATIONS

Background

1. Today India is waking up to the challenges of the new millennium and also showing the right path to the world in many aspects. However, ironically, there are millions in our country who cannot see the light of the day in a literal sense i.e. the visually impaired people.
2. People belonging to lower income strata are unable to get treated due to lack of resources and funds for care of their eye complications.
3. Nagpur and the surrounding regions do not have an adequately equipped eye care hospital which can address the needs of patients who have eye related ailments such as cataract, retina, glaucoma, cornea, Occuloplasty, low vision, keratoplasty, squint, etc.
4. Madhav Netralaya, a charitable hospital, has taken upon itself to work in the field of eye curing for economically backward community and elderly people. The hospital with all the latest infrastructure and best team of doctors can provide specialized eye care at an affordable cost / no cost.

Philosophy

5. Madhav Netralaya, a centre of excellence for ophthalmology, is determined to bring in light, 'vision and delight' to these people and stand out as a true epitome of excellence and central India.
6. We aim to bestow on underprivileged people the service of high standards at affordable cost along with the team of specialized doctors, dedicated towards this humanitarian cause.
7. Our philosophy is 'Seva by an organization not for profit'.
8. We are a charitable institute duly registered with the charity commissioner's office. Income tax department has also recognized us as a charitable organization by providing certification under section 12A and 80G of income tax act 1961.
9. To make this noble cause achievable, we invite committed individuals, philanthropists, social organizations and corporate sectors to offer us moral and financial support that will enable us ensure that everyone becomes worthy of finest ophthalmic care and cure.
10. Our project Madhav Netralaya is in the memory of ParamPujya Guruji Shri

Madhavrao Sadashivrao Golwalkar, a visionary- Second Sarsanghchalak of Rashtriya Swayamsevak Sangha (RSS). He was a seeker, thinker, organizer and profound source of inspiration to millions.

Our Vision

11. To strive for impeccable quality in providing excellent eye care at an affordable cost to the society while upholding professional and ethical values.

Our Mission

12. To provide quality eye care in an ethical manner to all patients which is readily accessible and cost effective thereby ensuring the improvement of vision/well-being of individuals and families across the spectrum of the society.

Objectives of Netralaya

13. We have set the following objectives: -

- (a) To strive for eradication of blindness.
- (b) To provide affordable and credible ophthalmic care of international quality to everyone and totally free for poor people.
- (c) To run a modern well-equipped eye bank.
- (d) To do research and impart education in the field of basic and super specialities in various branches of ophthalmology.
- (e) To train young eye surgeons' optometrist and ophthalmic assistants and nurses.
- (f) To prepare print and publish research and educative materials and journals.
- (g) To provide teleophthalmology diagnostic services, second opinions and tertiary consultancy to local eye specialist and remote rural areas through internet.
- (h) To empower women by educating and training them in this field. (i) To establish national and international support groups and collaboration in the field of ophthalmology.

Target Group

14. Visually impaired patients who have developed cataract in their eyes and are unable to see effectively. These patients are from all age groups in central India (including Vidarbha, MP, Chhattisgarh and Telangana). They require eye care including various types of investigation and surgery.

Activities

15. The hospital provided benevolent free treatment as follows: -
- (a) The hospital had organised a camp within the hospital from 5 June to 15 June 2018 where the consultation was free.
 - (b) The hospital had conducted Seva model starting from 20 Aug to 20 Nov 2018. Seva model catered to senior citizen offering free investigation, treatment and surgeries. The procedures covered all types of elements like cataract, cornea, retina and glaucoma to senior citizen. During the first Seva model 13482 OPD were attended and 1305 surgeries were performed.
 - (c) After receiving an overwhelming response from the entire society on the scheme, the hospital launched Seva model 2.0 with effect from 01 Jan 19. Presently Seva 8.0 is being conducted with minor modifications.
 - (d) The hospital has provided treatment to the poor and needy section of the society at free of cost or at concessional rates. Accordingly, a large number of BPL patients OPDs were attended. More than 163 surgeries were performed totally free of cost. Similarly, weaker section patients OPD's were attended and surgeries were performed at concessional rates.
 - (e) In addition to this, the hospital is providing vision screening camps outside the premises on a regular basis.
 - (f) Newly opened OPD at Hingna provides free consultation and basic treatment.

Achievements

16. The following were our milestones.
- (a) The hospital has received 'Platinum Green Building Award' from the IGBC, rated the highest award in the architecture and construction field. MNCC is the first hospital to receive this award.
 - (b) The hospital was awarded with ultra tech cement and Indian Concrete Organisation for 'Outstanding Concrete Structure 2018'.
 - (c) The hospital got certified with 'ISO 9001 Certification'.
 - (d) More than 10000 patients have been registered in a short span of less than a year.
 - (e) Madhav Netralaya is the only hospital in entire central India to provide laser cataract and LASIK surgeries with Femto second laser machine.
 - (f) The hospital has achieved the coveted NABH accreditations on 19 Aug 21.

Proposal

17.

1. It is proposed to carry out 330 free cataract surgeries for the poor and needy patients. Minimum cost of a cataract surgery is Rs. 16,100/- (including Registration, consultation, laboratory tests, fitness, post operative, etc). The range of various cataract surgeries is from Rs. 16,100/- (Basic) to Rs. 98,000/- (Femto cataract).
2. It is very difficult for the poor patients to pay for the cataract surgeries and a large number of them live with weakened sight / vision. The Netralaya proposes to carry out 330 x cataract @ Rs. 8300 /- each (every treatment included). Hence there is a requirement of Rs. 27,39,000 /- (Rupees Twenty Seven lakh Thirty Nine Thousand Only).The balance amount will be managed under the Netralaya arrangements

Objectives to be Achieved

18. The following objectives will be achieved.
- (a) Service to mankind.
 - (b) Large number of patients who have cataract in the eyes but cannot afford for want of funds will be benefited.
 - (c) The nation will have more people will a clearer vision / sight.

Financial Support

19. There is a requirement of Rs. 27,39,000 for 330 free cataract operations.

Sr. No.	Particulars	Basic cost of surgery
(a)	Registration	100/-
(b)	Consultation	300/-
(c)	Pathology tests	1,600/-
(d)	ECG and Fitness	800/-
(e)	A Scan	1,000/-
(f)	Cataract surgery	12,300/-
	Total	16,100/-*

***It is proposed to carry out the surgery for Rs. 8300/-**

Impact Assessments

20. The impact will generally be assessed on the basis of the following.
- (a) Footprints of patients undergoing screening.
 - (b) Number of patients treated.
 - (c) The project will be monitored by Madhav Netralaya through its representatives.
 - (d) An evaluation report will be produced on quarterly basis highlighting important observation analysis and recommendations

Benefits

21. The aim of this project is to reach the remotest area and to provide premium eye care to all. Many of the vision threatening diseases need frequent follow ups; this initiative will be of great assistance to those who cannot reach even the primary eye care centre for treatment. The cataract surgery will enable patients to see better. The poor and needy patient will benefit as the surgery is completely free of cost.

Conclusion

22. Madhav Netralaya aims to cater all the poor and needy people by providing free cataract surgery, with trained personnel, to take care of all the eye problems.

Madhav Netralaya can provide best quality services with expert opinion from all sub specialties in ophthalmology. The hospital believes in the ethos ‘Charity with Quality’.

Objectives to be Achieved

23. The following objectives will be achieved.
- (d) Service to mankind.
 - (e) Large number of patients who have cataract in the eyes but cannot afford for want of funds will be benefited.
 - (f) The nation will have more people with a clearer vision / sight.

Impact Assessments

24. The impact will generally be assessed on the basis of the following.
- (e) Footprints of patients undergoing screening.
 - (f) Number of patients treated.
 - (g) The project will be monitored by Madhav Netralaya through its representatives.
 - (h) An evaluation report will be produced on quarterly basis highlighting important observation analysis and recommendations

Sir/Madam,

Sub : Allotment of Tax Deduction Account Number (TAN)
as per the Income Tax Act, 1961.

Kindly refer to your application (Form 49B) dated Apr 24, 2015 for allotment of Tax Deduction Account Number. In this connection, the following TAN has been issued to you/your organisation :

NGPM07441A

Please quote the same in all TDS challans, TDS certificates, TDS returns, Tax Collection at Source (TCS) returns as well as other documents pertaining to such transaction.

Quoting of TAN on all TDS returns and challans for payment of TDS is necessary to ensure credit of TDS paid by you and faster processing of TDS returns.

The above TAN should also be used as Tax collection at Source Account Number under Section 206CA.

Kindly note that it is mandatory to quote TAN while furnishing TDS returns, including e-TDS returns. e-TDS return will not be accepted if TAN is not quoted.

This supersedes all the TAX Deduction/Collection Account Number, allotted to you earlier.
